

Resources to Dismantle Racism

"The constant, growing, unbearable trauma of being Black in a white supremacist country lies in the fact that you cannot heal from things that keep happening." -Ijeoma Oluo

These resources have been compiled in collaboration with our students leaders and families at Fearless Ideas. Please read, do the work, and share these resources with your friends, family and colleagues. Do you have a suggestion to add to our living list of resources? Submit them [here](#).
